WHO WE ARE

The North Texas REALTORS® in Action Foundation (NTRIAF) is a 501(c)(3) nonprofit charitable organization founded in 2015 by the Collin County Association of REALTORS® (CCAR). CCAR created the Foundation to serve North Texas residents and communities in times of hardship.

Our mission is to provide the resources needed to assist our community through charitable donations, volunteer work, education, and housing initiatives. We offer rehabilitation and repairs to property within the community, provide relief and relocation for victims of natural disasters, and support other non-profit charities serving within the North Texas area.

Through "boots on the ground" volunteer help to clear debris, providing financial assistance to those in need, and partnering with other community organizations, NTRIAF is always ready and capable to jump in and help out. The Foundation is honored to be of service to North Texas.
